

NICARAGUA VISION TRIP

Join us for a vision trip to Nicaragua April 19–23, 2024. There is currently one MTW missionary working in Nicaragua. MTW hopes to establish a church-planting team, including ordained leadership and support members able to minister vocationally or in mercy ministry alongside the church planting effort. All are welcome; pastors, ruling elders, and mission committee chairpersons are especially encouraged to attend.

PATH 270 UPDATE

Our four Path 270 Interns recently completed their first 3 months of their journey in Central Asia. One of the interns from the Northeast/Mid-Atlantic hub, Andrew Jones, shares some reflections on his time in Central Asia:

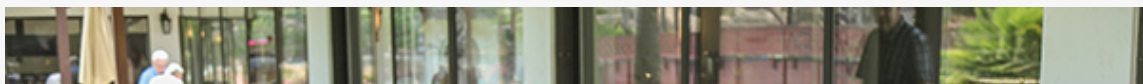

“I remember my first time coming out here, being amazed by the unexpected beauty of the buildings, of the people, and of the sea all wrapping together in a deep and captivating picture of harmony. As I look upon the water, I think back to where we’ve been, what we’ve done, and who we’ve met. I remember the language classes. We were almost guaranteed to be laughing each and every time we saw our teacher. I remember meeting my two local house mates for the first time, not realizing the beautiful relationship I would have with them despite the language differences. I remember visiting the incredible villages in the outskirts of the country full of well needed mountains and snow. I remember walking into restaurants and seeing familiar faces of the owners and employees with whom I have grown in connection with. I remember walking around the city for hours on end and praying over it. I think I’m satisfied. Happy about what I’ve been able to say and bring up, happy with the growth that I’ve seen within me, and ready for the continued adventure in Thailand. I’m really really sad to be leaving this country, but at the same time I am ready to grow.”

Deadline for Summer Internships is January 19. Applications for the next Path 270 Internships are currently open.
