## Travel Arrangements

*Clinic simulation fun!*

You are required to make your own flight or driving arrangements for the training. Valencia is about an hour outside of Pittsburgh. Pittsburgh International Airport (PIT) is the nearest airport and we will provide transportation from the airport to the training.

There are many options for paying for your travel and Disaster Response Training. You can have your church sponsor you, pay for it yourself, take the money from your MTW support account, or raise the money from your family/friends/supporters as you would do for a short term missions trip.

If you do not have a support account with MTW, please let us know and we will set one up for you. If you need assistance writing a support letter about the Disaster Response Ministry, we would be happy to help!
