DAVID & CRYSTAL BARNES #10851

Why Spain? Less than one-half percent of the 46 million people in Spain are evangelical Christians. Why Madrid? There are 130,000 university students in Madrid, most of whom have never heard the gospel of Jesus Christ.

David and Crystal were both raised in Christian homes and came to trust the Lord early in their lives. They met in high school and married in 2004 while at the University of Tennessee. Reformed University Fellowship (RUF), the college ministry of the Presbyterian Church in America, was vital to David and Crystal's growth in Christ in college. From their

experience in RUF, David and Crystal understand the value of college ministry, and they desire to proclaim Christ by developing relationships with Spanish students. They will partner with existing college ministries, mercy ministries, and local evangelical churches with the goal of planting more Spanish-led churches in Madrid. Their hope is that the saving story of Christ will turn the darkness of a secular university and country into a beacon on a hill.

Betsie (10/2005), Warren (7/2007),
Rebekah (6/2009).
