## PETER AND JENNY BOLING #10809

Peter is from Los Angeles, Calif. and has always had an interest in missions. He attended divinity classes at Phoenix Seminary and has had the privilege of serving in full-time ministry for the past ten years: four in the PCA and six in Mexico with the Presbyterian Evangelistic Fellowship and Vida Nueva Church.

Jenny was born in Mexico City and raised in Cabo San Lucas. She was called to missions at an early age and has gifts in the areas of teaching children

and organizing women's events. She is a home-schooling mother of two, is passionate about the gospel, and has a heart for mercy.

Their ministry is centered in Bogotá, Colombia and includes theological training, discipleship, and pastoral support. There is also a focus on mercy ministries as Colombia has the second largest number of internally displaced people in the world at four million, trailing only the Sudan.
