DANIEL & KATY BRINK #10852

Daniel and Katy met in Reformed University Fellowship (RUF) at Mississippi State University and married in 2004. Their time in RUF gave them a heart for young adults and campus ministry. Both Daniel and Katy grew up in the Presbyterian Church in America (PCA) and are thankful for the wonderful teaching and faithful discipleship they've received throughout their lives. They feel called to step out of that comfortable place and use all they've learned to serve the Lord in a different culture.

Daniel and Katy will join the MTW team in Madrid, Spain. They'll aid the team by supporting Spanish churches and encouraging young adults to be involved in those churches. They will work in the campus environment and seek to establish relationships that bring the light of the gospel into the darkness of the secular culture in Madrid.
