## DICK & JOANNE BROWN #10853

Dick and Joanne Brown serve as part of the MTW team in Bogotá, Colombia. Dick uses his skills in sales and marketing, which he has honed over many years in the business world, as Bogotá team manager and administrator, freeing church planters and trainers from that task. Joanne continues to use her teaching and multimedia development skills in Bogotá.

Worldwide growth in the church is occurring in areas formerly known as the third world, but now referred to as the "Majority World." As the church grows, many of these people will become future pastors and missionaries. Dick

and Joanne's team trains and equips these future leaders.

Please pray that the Lord will continue to grow and prosper His Church in Colombia, that He will raise up godly men to lead and teach others, that the culture will be transformed by the truth of the gospel, and that Colombian believers will be sent out into the entire world as a living testimony of Christ.
