SERVING IN JAPAN WITH MISSION TO THE WORLD

Presbyterian Church in America • 1600 North Brown Road • Lawrenceville, GA 30043-8141

ROBERTA BROWN #10524

Roberta became a Christian in high school, where her sense of missions started to grow. After graduating from college and working in the business world for eight years, she joined the Tokyo/Chiba church-planting team, first as a short-term worker then as a career missionary. She has been helping facilitate the goal of a grace-based church-planting movement throughout Japan by teaching conversational English, leading English Bible studies, and providing support in administrative duties.

Though Japan is an industrialized nation, it is spiritually impoverished with less than 1 percent of

over 127 million people professing to know Christ. There remains a tremendous need for the gospel to be proclaimed in that country and for hearts to be touched and changed by it. Please pray for Roberta to effectively and boldly communicate the gospel of Christ to those she comes in contact with, to encourage and help the Japanese Church, and to continue to grow in her relationship to God. Pray, also, that God would give the Japanese people the faith and courage to obey Him and that they might seek to win their culture for Jesus Christ.
