BOB AND ANDREA BURNHAM #10531

Bob and Andrea Burnham have been ministering in Ukraine since 1995, overseeing MTW's church-planting work in Odessa's southern region, including Odessa, Belgorod-Dnestrovsky and Izmail.

Bob, a Pensacola, Fla. native, received a music business degree in Nashville from Belmont University. Andrea grew up in Littleton, Colo., and received her architecture degree from the University of Colorado, Boulder.

Having a passion to tell others of the grace God has given us through Jesus Christ, they each joined MTW separately and met when placed on the same team in Izmail, Ukraine. Andrea and Bob served from 1995-1997 and grew to love the Ukrainian people—as well as each other.

After marrying in 1998, the Burnhams relocated to Atlanta where Bob worked as MTW's director for recruitment. In 2001 they returned to Ukraine where Bob led MTW's church-planting team in Odessa.

The Burnhams are long-term missionaries who assist Ukrainian believers in organizing congregations that honor God in both word and deed. They covet your prayers for wisdom and the ability to faithfully teach and live in Christ-likeness.

We encourage you to sign up for the Burnham's e-newsletter at www.BurnhamSnapshots.com.
