JOY CANDEE #11299 LITERACY MINISTRY

Joy is a native of California. She grew up in Sacramento and graduated from the University of California Santa Barbara with degrees in Linguistics and German. While in Santa Barbara she became connected with the PCA and spent summers serving short term in Kazakhstan and Germany.

Joy's heart for missions became evident at a young age. In junior high she gave a school presentation in which she showed a Wycliffe video and told the class that she was going to do Bible translation in Papua New Guinea when she grew up.

Although Joy's vision has changed slightly, the desire to work with unreached people groups is still strong.

Joy's linguistic education, her passion for language and culture, and her involvement with the PCA have come together in a partnership between Wycliffe Bible Translators and MTW. Through this partnership, Joy will be assisting with literacy efforts in Papua New Guinea. Pray for Joy as she desires to serve the unreached of Papua New Guinea.
