## MATTHEW AND CARLY CHASE #111630

As a missionary kid in Japan, it has always been apparent to Carly the deep need the country has for the gospel. She met Matthew there in 1999, while he was serving as an intern with MTW. During his time there, God gave him a desire to return for long-term ministry. Afterwards they both went off to finish college, Carly in Australia and Matthew in America. Five years later, God brought Matthew and Carly together in marriage.

God has laid a burden on their hearts to return to Japan to share the love of Christ with a people who know nothing of God. Matthew will primarily

be working to plant vibrant university ministries in the Tokyo area. Currently these universities have no Christian ministry whatsoever. He will also be working closely with the local church, coming alongside many first generation Christians to disciple and encourage them in their walk with the Lord. Carly will be involved with women's and children's ministries. Matthew and Carly will also be taking with them their first child, due July 2007. It is their hope that Japan will become a nation that worships the true and living God.
