BETSY CHRISTIANSEN #11214 MEDICAL MISSIONS

Betsy received her B.S. in nursing at the University of Pittsburgh, then ministered in Atlanta through pediatric nursing for the next 38 years. Betsy has a heart for mercy missions that combines her nursing experience with a God-given passion for evangelism.

As a medical missionary, primarily to Latin America, Betsy recruits and prepares both health-care professionals and laypeople to serve in medical missions overseas, and then serves as team leader for these one- to two-week mobile-clinic teams. They come alongside MTW missionaries and the national church to assist in church-planting

efforts through compassionate healthcare, prayer and evangelism. Betsy also serves as mentor on Student Outreach teams with, prayerfully, our next generation of medical missionaries.

Intercessory prayer is foundational and financial partnership vital for Betsy to faithfully respond to God's call. She invites you to co-labor with her for the glory of Christ and the hope of the nations.

Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight. Proverbs 3:5-6
