TONY AND FAIRLY COOPER #11351

Tony grew up in Tennessee and has worked in the automotive field for over 20 years. He is also experienced in construction. Fairly is a native of Mississippi and a graduate of the University of Southern Mississippi. Tony and Fairly were married in 1998 and have a blended family of five boys.

Tony and Fairly's first short-term missions trip was to Rio Bravo, Mexico, in 1999 to construct a school for deaf children. It was there that Tony felt God's call to missions. In 2000, they returned to Rio Bravo and Fairly also felt God call her to mission work. Together they began to pray for God's guidance and timing. Ten years later their

call is still to serve the deaf in Mexico, this time in Reynosa.

Tony and Fairly will work alongside Isaiah 55 Deaf Ministries whose primary mission is to provide schools for deaf children. Tony will be the construction coordinator for work teams and will mentor summer interns. Fairly will host teams and minister to the families of the deaf children. Tony and Fairly also plan to participate in the sign language classes taught weekly to families of the deaf children in order to nurture friendships with parents and children.
