TRISTON AND KIM CRAVEN #11341

Triston and Kim are excited to have the opportunity to serve God with MTW's church-planting team in Nagoya, Japan. They will be using their gifts of teaching, discipleship, and hospitality to share the love and hope of life in Christ in a country that is less than 0.2 percent Christian and where the suicide rate is staggering.

Triston and Kim met in 1994 and married in 1995. They are thankful for the work of God's grace in their personal lives, marriage, and family. They have a passion for sharing the same love of Christ with others that they have experienced in their own lives through God's people.

The Lord called Triston and Kim into full-time missions work in 2004. They served five years with Wycliffe Bible Translators, supporting the translators in Papua New Guinea for three years through various roles. They returned to the U.S. in 2009 with a desire to be more involved with discipleship and church planting. God led them to MTW where He confirmed those desires and is now leading them to be a part of taking the gospel to Japan.
