MARK AND RACHEL DANIEL #11843

Mark and Rachel are part of the Medical Campus Outreach (MCO) team serving in Cusco, Peru. Mark is trained as a physician assistant and Rachel as a registered nurse. Both were disciplined through the MCO ministry in Augusta, Ga. where they gained a desire for leading healthcare students to Christ. Healthcare students are a strategic target group with unique opportunities to touch thousands of lives with the gospel. MCO Cusco seeks to follow the way of Christ, training Peruvian healthcare students to offer physical and spiritual healing in Jesus' name.

Cusco is home to several healthcare universities and is also considered the cultural center for the

Quechua Indians, a largely unreached people group scattered throughout the Andes Mountains. In conjunction with their student ministry, Mark and Rachel will provide medical and spiritual care for the Quechua people.

The Daniels have adopted 1 Thessalonians 2:8 as their family verse: "We loved you so much that we were delighted to share with you not only the gospel of God but our lives as well, because you had become so dear to us." Please pray that God would use this family in mighty ways to advance His kingdom!
