CALEB AND AIMEE DUNN #11783

Aimee and Caleb Dunn have been serving as missionaries in Northern Mexico since 2003, co-founding the Theological Institute of Ministry in the cities of Ciudad Victoria and Monterrey. The purpose of the institute is to partner with local churches in preparing leaders for church planting.

Born in Northern Mexico, Caleb's love for missions began as a child through seeing his parents and grandparents minister there. For Aimee, living in Mexico has been more of an adventure, as she has learned the language and given birth to their two children, Abigail and Andrew, in a foreign country.

The Duns will be moving from Ciudad Victoria to Monterrey, a strategic financial and educational center with a population of about five million, where Caleb will continue as the director and a professor at the Theological Institute of Ministry. Throughout Mexico, crosses hang in almost every home, but few who revere this Christian symbol understand that they cannot work for their salvation, but Christ's death on the cross is sufficient for them. Caleb and Aimee invite you to be part of God's work in extending the gospel through church planting and theological education.
