JAY & HOLLY EASTMAN #12111

Jay is from Portland, Ore.; Holly spent most of her childhood years in Indiana. They both became Christians and met while students at the Ohio State University, joining Northwest Presbyterian Church in 1993. Jay graduated with an M.A. in English education, taught high school in El Salvador and Ohio, and has coached volleyball for boys and girls. Holly earned a B.A. in international studies. After a year of post-graduate study in Potsdam, Germany, she worked as a teacher and computer consultant. Holly has also done further study in biblical counseling.

Jay and Holly joined MTW's church-planting

work in East Berlin in 2001. In this post-communist, atheistic context, their ministry emphasizes connecting to those who have never heard about Christ and building bridges between them and the church. Focusing on evangelism and reaching out into the community, they supported the work of two MTW church plants now under national leadership. Since 2005, Jay has been the team leader for MTW's venture in southeastern Berlin.
