# TOM AND CONNIE EDWARDS

After serving 10 years as medical church planters in Abidjan, Ivory Coast, the Edwards returned to their home in Birmingham, AL to start an urban medical clinic. Tom works closely with the Household of Faith Church (PCA) to minister to the medical and spiritual needs of an underserved area of Birmingham called East Lake.

Tom also serves as director of MTW's HIV/AIDS ministries. He is helping develop and coordinate ministries that allow individuals and churches here in the U.S. to partner with African churches, reaching out to AIDS victims, their families, and their communities.

Tom was raised in Ft. Lauderdale, FL, completed his pre-medical training at

Southern Methodist University, and graduated from the University of Miami School of Medicine. In Birmingham, he completed residencies in both internal medicine and family practice.

Connie was born in Houston, TX and also attended SMU. She received an MS in math at the University of Miami. Tom and Connie were married in 1975.
