CHRISTOPHER & STEPHANIE ELMERICK #12136 CHURCH PLANTING

Christopher and Stephanie, both from Ohio, met at Ohio State University in 1998 and married in October 2001. In the summer of 2003 the Elmericks went on a missions trip with their church to Berlin, Germany, where they both sensed God's calling to return for a longer term. Although the fall of the Berlin Wall occurred in 1989, a spiritual wall still exists as a barrier against the message and love of God. As a result Berlin has been called the capital of atheism with very little knowledge of the Bible in the eastern section of Berlin.

Since arriving on the field in September 2005, the Elmericks have been ministering to young adults and young families in eastern Berlin. They desire to proclaim God's glory in word and deed and facilitate the emergence of a healthy, self-led, self-supporting, and growing church while living in missional community within the neighborhood. You can contact Christopher and Stephanie at elmericks@googlemail.com.
