## CHERYL ERB #012106

Cheryl grew up in Lancaster County, PA and desired to be involved in ministry. However, fears and worries held her back. She did become involved in ministry locally. As a senior high youth group leader at her church, Cheryl participated in various short-term mission trips. God was working in her life through the years, and after a series of events, she was ready to take the step of faith into longer-

term missions.

For seven years Cheryl served as an MTW missionary in Jamaica as an administrative assistant for a deaf ministry. Now, based in the MTW office in the U.S., she is using her administrative gifts and experience as project assistant to the medical department. Cheryl's service in Jamaica has uniquely equipped her to understand the administrative needs of missionaries and

the challenges of balancing ministry and administration. Her main focus covers the financial aspect of the medical projects and other tasks that enable short- and long-term medical missionaries to focus more on the people they've been sent to. Please pray for Cheryl as she serves and supports other missionaries as they minister to people around the world.
