SANDRA HART

Sandra Hart has worked as a registered nurse for the last 19 years. She is the mother of four grown daughters and five grandchildren.

Sandra's heart and burden for the Philippine people began over 25 years ago while working as a director and teacher with Child Evangelism

Fellowship. In February 2001, she went on a medical missions trip which confirmed God's calling to long-term missions in the Philippines. Sandra has also worked with women's ministry and taught Sunday school.

Using her nursing experience as a tool, Sandra will help the Filipino

Church reach the community for Christ. Providing medical services will open doors for pastors to form relationships with the Philippine people that later lead to salvation.

Having come from a non-Christian home, Sandra's deepest desire is to reach the 70,000 street children in Manila with the message of hope that is found in Christ Jesus.
