SHANNON INNES #13520 CHURCH PLANTING

Surrounded by a wonderful Christian community, Shannon came to know the Lord at a young age. During her college years, the Lord began expanding her heart for ministry and discipleship through her involvement in campus ministries. The Lord further nurtured this desire during summers spent sharing the gospel through camp ministry, and more recently as full-time youth staff at her home church, where she served for the last four years.

Through participation in a variety of short-term missions experiences, Shannon has seen the Lord's faithfulness, His hand of provision, and the vast need for the gospel around the world. Seeing great

physical and spiritual need has impressed upon her heart the desire to take the message of the Lord's faithfulness and grace to the nations.

Shannon is serving in La Ceiba, Honduras, participating in relational ministry with the goal of church planting. The Honduras team is working to build relationships in small, poor communities around La Ceiba through children's programs, ESL classes, and medical clinics. Their prayer is that these relationships will open doors for the gospel. Please join them in praying for the Lord to raise up new believers and future church leadership.
