**MATT AND ESTEFANA JESCH #13674**

Matt and Estefana Jesch desire to see lives transformed by the gospel in Guadalajara, Mexico. Guadalajara is the second largest city in Mexico with a population of over seven million people. Less than one percent of the population professes faith in Jesus Christ.

Matt grew up in Indianapolis, Ind. and Estefana is from Peoria, Ill. They met at Taylor University and were married in December 1999. Matt and Estefana got involved with MTW by going on a short-term missions trip to Guadalajara, which fueled their passion for missions. They continued to prepare for the field by leading short-term missions and actively

servicing at Crossroads Community Church in Indianapolis.

The Jesch family is eager to return to the field in Guadalajara to assist in church planting and other ministries that contribute to the overall goal of planting churches. Their experience in coordinating short-term missions trips, various construction projects, and teaching will aid them in ministering to the Mexican people.

Please pray for Matt and Estefana that God would continue to use them and provide for their family and for the ministry to which God has called them.
