GREG AND SUSAN JOHNSTON #13664

Greg and Susan met at Andrew College in Cuthbert, GA in 1992. They both transferred to the Medical College of Georgia, where Greg received his degree in occupational therapy in 1995 and Susan received her degree in 1996. They were married one week following Susan's graduation and moved to Columbus, GA. Greg is a native of Columbus and has worked primarily in the public school system. He also holds a master's in educational leadership. Susan is originally from Glennville, GA and has worked primarily with children also. She currently homeschools all three of their sons.

In 2006, following a persistent plea from a missionary friend, Greg and Susan traveled to Sofia, Bulgaria and worked there for a week in the Lomidol Resource Center. During this time, God called them to come back long term. Greg and Susan were able to see how their skills as therapists could open doors for sharing the gospel with the Bulgarian therapists, parents, and disabled children. Their hope is to see the church grow through the relationships they build while serving and living among the Bulgarians.
