## JOSEPH AND JULIET KIM #14004 THEOLOGICAL EDUCATION

During his college years Joe received his calling to missions. With a vision to strategically train and disciple young leaders, Joe attended Trinity Evangelical Divinity School (M.Div. 1997) and was later ordained as a minister (2002). He ministered for more than a decade in various Asian-American churches and later pursued graduate studies in philosophy (Ph.D. candidate, Arizona State University) with a vision for mission work in an unreached nation.

Juliet received her calling to missions in high school, after which she participated in short-term mission trips to Japan, Kenya, and Thailand. She

completed her degrees in engineering from Cornell and the University of Virginia with a vision to use her skills and training for world missions.

They have been called as a family to serve at Christ Bible Seminary in Nagoya, Japan, with a vision to "Equip Japanese to Reach Japan." Japan is a country with a Christian population of less than 1/4 of 1% and more than 70% of all pastors are over the age of 50. Joe will be a professor at the seminary, training and raising up a new generation of Japanese pastors while Juliet will be involved in administration and evangelism.
