DALE AND NANCY KNUTSON #13944

Nancy, a Covenant college graduate, came to Christ in her youth. Dale also trusted Christ at an early age. While attending Trinity College, Dale served as a summer missionary in Hong Kong. The experience increased his desire to serve in missions as a medical doctor. The Knutsons were married during his sophomore year at the Medical College of Georgia. The last 10 weeks of medical school were spent participating in direct patient care in Ecuador at two mission hospitals.

Since 1985, they have been very active members of Covenant Presbyterian Church, Fayetteville, Georgia. As a family, they have visited missionaries around the world and served on several short-term

mission trips. Since 2003, they have served with MTW as career missionaries in the Philippines, taking intermittent medical mission trips to several other countries in Asia.

Sensing the physical and spiritual needs of the people of Cambodia, they now are called to serve with the new MTW team in Cambodia. They will mentor medical students, participate in gospel-focused medical outreaches, and train and disciple leaders in the church. They will continue to take the gospel to other parts of Asia through medical missions.

The Knutsons have three grown children: Nathan, Joel, and Amy.
