## ROBBIE AND MURRAY LATHROP #14357

Robbie and Murray currently live and serve in Managua, Nicaragua. They grew up in South Carolina, met and married in 1984. Robbie graduated in civil engineering from Clemson University. Murray graduated from the Medical University of South Carolina with a degree in occupational therapy. They have two adult sons and a daughter, Mika, still at home.

Robbie and Murray worked with short-term missions teams around the world, which led them to Nicaragua in 2001. Burdened with the tremendous spiritual and physical needs of the Nicaraguan people, they followed God's call to return and serve there as a family in 2005.

Robbie's background in marketing, construction, and engineering has allowed him to use his skills on the mis-

sion field to meet many needs. Their ministry includes developing a national pastoral training center; coordinating short-term teams; providing shelter, food, clothing, and medical care; as a means to share the gospel with the needy.

Robbie and Murray's efforts in mercy ministry are designed to lay the groundwork for a team whose goal will be to plant churches in Nicaragua. Please consider how God might have you join with them in taking relief and the gospel to the people of Nicaragua.
