PHILLIP AND KAY LUTHER #14485

Phillip and Kay have been involved in ministering to university students and faculty since 1976, serving in Minnesota and South Carolina. In the late 1980s, Phillip began leading teams of professors to lecture and share the gospel in various universities in Eastern Europe and the former Soviet Union, which influenced the Luthers' interest in serving long-term in Europe. Phillip completed a master of divinity degree at Reformed Theological Seminary in 2007.

After Phillip and Kay interacted with several national pastors in Greece in May 2009, their hearts resonated with the vision of these pastors and the need for more laborers in Greece. They

accepted an invitation to serve with Mission to the World partnering with the Greek Evangelical Churches. With fewer than 0.3 percent of the people being evangelical, there is a tremendous need to proclaim the gospel of grace.

Their ministry will focus on church-planting through evangelism and discipleship, mercy ministry to the growing immigrant communities, and university outreach. Phillip will also develop continuing theological education courses for pastors and biblical training for lay people.
