**Joe & Ann Lyle #14320**

Joe and Ann are from South Carolina. Their home church, Cornerstone PCA, encouraged them to pursue God's call to missions. They both have degrees in psychology from the University of South Carolina and master's degrees from Columbia International University. Joe's M.A. is in intercultural studies with a certificate in teaching English. Ann's M.Ed. is in curriculum and instruction.

The Lyles have served in Taiwan since 1991, and work at Christ's

College. The goal of the college is to evangelize and disciple students while providing a quality education. They live on campus as teachers and meet with students individually and in small groups. Their home is a place to encourage and challenge students to know Christ and to live for Him. Joe and Ann have seen many students come to Christ and go on to impact others with the gospel. Please pray that God will continue to use them mightily as they share their lives with students at Christ's College.
