## STEPHEN AND LESLEY MAGINAS #14618

Stephen and Lesley Maginas are from Georgia. They've known each other since middle school when both were at a PCA church in Marietta. Stephen has a BS from Colorado Christian University and recently graduated from Reformed Theological Seminary with a master of divinity. He has been involved with Reformed University Fellowship (RUF) at both Mercer and Emory Universities. Lesley graduated from nursing school at Georgia College and State University and has been serving as an RN for the last six years.

Both Stephen and Lesley came to know the grace of God in the person and work of Jesus Christ

as children. Over the last couple of years, they have felt called to pursue a pastoral role with RUF. Through God's sovereign direction, they were approached by RUF and MTW to consider planting the very first RUF/MTW ministry in Athens, Greece.

This is an incredibly exciting opportunity for the gospel to go forward in a country that needs to know the love of God in Christ. RUF and MTW are partnering with the Greek Evangelical Church to establish a university ministry that is supported by the local church and seeks to reach the least and the lost in Athens.
