Seth & Renee McLaughlin #14633

Seth and Renee McLaughlin are called to La Ceiba, Honduras, to serve the Lord through medicine and theological education. During a trip to La Ceiba, they were struck by the great need for gospel transformation in all areas of life and knew God was drawing them to serve this city.

Renee first felt called to medical missions in seventh grade when medical missionaries spoke at her church and told of serving those in great need. Since then she has prepared for this calling by obtaining a master's in medical science and working as a physician assistant.

Seth's heart for missions was stirred by Renee when they met in college. God led him to seminary, where his passion for teaching began to line up with the overwhelming need for pastoral education in the developing world. After graduation, Seth served as an assistant pastor at All Souls Fellowship (PCA) in Atlanta, Ga.

The McLaughlin's vision is for Renee to help start a downtown medical clinic in La Ceiba and eventually train Hondurans in medical skills, providing much-needed jobs. Seth plans to start a pastoral training school that will serve existing local churches and support church-planting efforts in La Ceiba by training new pastors and leaders.
