## Tim & Rhianna Mills #14888

Tim and Rhianna Mills had the opportunity to participate in short-term work in 2001 with MTW in Thailand, and this led them to a place where they felt called by God to long-term ministry there. They moved to Thailand in 2006 to begin life and work in urban church planting.

Thailand is the most thoroughly Buddhist nation in the world, with this religion intrinsically tied to cultural identity for Thai people. Bangkok, its capital city, teems with 14 million people and is a melding of ancient tradition and modern technology. The beauty of the city and its people stands in contrast to the corruption, sexual

exploitation, poverty and other social ills to be found there, pointing to the fallen nature of man and the need for redemption through Jesus Christ.

The MTW team in Bangkok seeks the transformation of that great city, working with indigenous Thai leaders to plant city churches that will impact their country for Christ. The Mills seek to work out this calling in many arenas, including Tim's gifting as an artist to engage those in the creative realm and share with them the truths of the gospel. Please pray for the Mills family as God uses them to accomplish His work in Bangkok.
