David & Erin Pervis #16036

David grew up in Georgia, and as a child placed his faith in Christ. He received his B.S. in chemical engineering at Auburn University and later received CELTA certification for English language teaching. While working as an engineer, he participated in evangelism teams in Eastern Europe and sensed God's call to missionary service there. Erin, also from Georgia, came to know the Lord in junior high. She graduated from Duke University with a degree in Middle East studies and later earned a master's degree in teaching English as a second language. In 1984 she joined Arab World Ministries and worked among Arab Muslims in England, France, and the

Middle East before marrying David in 1996.

From 1999 to 2012, they served on the MTW church-planting team in Sofia, Bulgaria. There they established an English program as an avenue for evangelism and assisted Bulgarian leadership with a church plant. Now in Kiev, Ukraine, they continue using English language instruction to build relationships, share the gospel, and help bring new believers into the church. Working in partnership with the Evangelical Presbyterian Church of Ukraine (EPCU), David and Erin assist Ukrainian pastors with church planting.
