JON AND SARAH PFEIL #16039 COLLEGE MINISTRY/CHURCH PLANTING

Jon and Sarah came to faith in Christian homes in the Midwest. After graduating with a degree in chemical engineering, Jon was first led to serve with MTW in Japan from 1999-2001. Sarah attended nursing school and developed a heart for missions through trips to Mexico.

From 2006-2010 Jon and Sarah served their first term as a family in Japan with the MTW Tokyo/Chiba church-planting team. Japan is one of the most unreached countries in the world with only 0.4 percent professing Christianity. After language school Jon served as leader of the team's college ministry emphasizing relational networking and evangelistic Bible studies. As an ordained PCA elder, Jon was also part of the leader-

ship team of a church-plant in the outskirts of Tokyo. He regularly led the bilingual worship service and assisted in translation. Sarah's gift of hospitality created a warm environment for college students as well as for many young moms that she got to know in the community.

The Pfeils will continue to support the growing church-planting movement in Japan by both directly serving in a local Japanese church-plant and through the strategic area of college ministry—reaching and discipling young Japanese to be future leaders in the Church.
