### ANDY AND KATHY PICKENS #16143

Andy and Kathy Pickens, natives of Maryland who have been married since 1979, have sensed God's call to serve Him and His church in Ireland. On a visit to Dublin in 2007, the Pickens were struck by the need for church revitalization and gospel outreach in a culture that is post-Christian, post-modern, and in desperate need of the gospel.

Andy, who trusted Christ shortly after high school, graduated from Virginia Tech in chemical engineering and worked with IBM and Lockheed Martin in both technical and management positions. Later he attended Chesapeake Theological Seminary and became assistant pastor of Shady Grove PCA, outside Washington, D.C.

Kathy trusted Christ as Savior as a young child. She has a nursing degree and has taught children's Sunday school for many years, as well as home schooling all four children. Three children are now grown, and one (Valerie) is attending college.

The Pickens' vision is to work with Greystones Presbyterian Church to reach into unchurched neighborhoods, create discipleship ministries, begin a children's outreach, begin new church plants in nearby towns, and to see God do the same work in other Irish Presbyterian churches throughout the country.
