STEPHEN AND BERENICE RARIG #016501

Stephen was born in central PA. Berenice was born in Sydney, Australia. They met and married at Covenant College. Stephen served pastorates in the PCA before going to Perth, Australia in 1990. After co-founding what is now Trinity Theological College, Perth (www.ttc.wa.edu.au), he transitioned the seminary to national leadership and now serves part time as graduate studies coordinator. He is senior lecturer in Old Testament and Hebrew, and is nearing completion of a ThD. Since 2003 he has been church-planting team leader for Western

Australia in Perth.

Berenice communicates the gospel through conceptual art and performance mediums. She is a tutor in visual culture at Curtin University, and is doing a PhD in fine art. Her art work is part of collections in Australia, Germany and the US. Stephen and Berenice are involved in creating a church-planting movement engine through apprenticing nationals in the context of a training church in the port city of Fremantle. They have four grown children and one grandchild.
