### Mike & Eli Sabin #16895

From Guam, shortwave radio station KTWR broadcasts biblical programs to the Asia/Pacific region. Several "closed" countries lie within its coverage area. Programming includes sharing the gospel with unbelievers, discipleship, pastoral training, church services, and Bible study. The programs are designed for men, women, youth, children, oral communities, the sick, and the needy.

Mike and Eli have been serving on Guam under an agreement between

MTW and TWR (Trans World Radio) since February 2002. Mike serves as chief engineer and is responsible for operations and maintenance of the transmitter equipment. He also performs some facilities maintenance tasks. Eli has worked in the finance department, hospitality department, and other areas as needed.
