## DICK AND SHARON SECHLER #016811 CHURCH PLANTING

After many years teaching and running his dairy farm, Dick surrendered to missions. The idea of a lay person as a missionary was different, but after much prayer, he realized that God really can use "ordinary" people as missionaries. From the beginning, Dick and Sharon have been open to going wherever God needed them. In 1993, they left for the Czech Republic to teach missionary children. After one year, God opened doors for them to teach English to the Czech people as an outreach ministry. In 2003, they moved to the US/Mexican border to continue working with English Language Ministries. After only 3 years there, God called them to a very strange land – Queens, New York.

With so many different language groups and cultures, this has been a challenge for them. They are in the US, but it seems far from the US. It really seems that they are on many foreign fields all wrapped up in one location.

Dick and Sharon are from Kosciusko, MS and serve as Coordinators of English Language Ministries for the greater New York area. They have three sons, three daughters-in-law, and three granddaughters. They have been very blessed and continue to praise God for all that He has done is doing and will do in the future. Psalm 115:1- Not to us O Lord, not to us, but your Name be the glory."
