## ANDY AND MISSY SHADBURNE #17161

Both natives of Kentucky, Andy and Missy met through their campus ministry at Murray State University. In 2003 Andy earned his degree in organizational communication and non-profit leadership, while Missy received a degree in middle school education. They married in 2005 and moved to St. Louis, Mo., to work with The Chapel, a music and arts venue operated by Memorial Presbyterian Church.

While working with the The Chapel, Andy used his gifts as a musician to help support Memorial's outreach to the creative classes in the city of St. Louis. He plans to use those same gifts to help support church planting in Perth, Australia. While in St.

Louis, Missy has been salt and light in public schools. In Perth she hopes to use her diverse teaching and ministry experience to disciple college students and those young in the faith.

The Shadburnes are both excited and humbled to be called to minister in Australia. They will support the Perth church-planting team through building relationships within their community, which will include college students, musicians, and artists in Perth. They also will support the work of the church through music and mercy ministry.
