DAL AND BETH STANTON #16836

Dal, raised in south Florida, was saved by the Lord when he was 18, and called into ministry soon after that. Beth, a covenant child, was raised in Mexico, the daughter of a PCA missionary and pastor. Dal and Beth were married in 1977 and have five children, three of whom are out of the nest.

Dal pastored two churches before responding to the call to serve with Mission to the World in 1993. After ministering in Ukraine for several years, the Stantons served in Spain where God used their church-planting and leadership experience

to assist in establishing the Madrid church-planting team.

In coming to Bulgaria, their focus was the development of EuroScope in Europe, a training program for young adults. After a year and a half in Bulgaria, the Lord led their ministry in another direction, and Dal now serves as the team leader for the church-planting team in Bulgaria. Beth currently teaches at Sofia Christian Academy.
