David & Eowyn Stoddard #16896

David, son of a PCA church-planter, was raised in Louisiana and Tennessee. Christ captured his heart in high school while he was participating in short-term missions trips, and David has felt called to missions ever since. At King College in Tennessee, David majored in political science and modern foreign languages. He then earned a master of divinity degree from Westminster Theological Seminary in California.

Eowyn is the daughter of MTW missionaries who served in France. She came to faith at a young age and sensed a call to missions in her late

teens. While majoring in German at Wellesley College, she spent two years in Germany. She then obtained a master of arts degree from Westminster, where she met David. They married in December of 1997.

In 2000, David and Eowyn joined MTW's Team Berlin. Their focus is on beginning a church-planting movement aimed at reaching and discipling East Berliners. David is also involved in training future national church leaders through the Martin Bucer Seminary.
