LINDA SWALLOW #17101

A native of New Hampshire, Linda worked as a nurse in Massachusetts for 12 years before moving to Charlottesville, VA to become a nurse practitioner. Since 1987, she has worked in the Baltimore area as an oncology nurse practitioner. She has been active in her church, serving as team leader for the Global Missions Team and starting the short-term missions program. Now she believes God will use her skills and experience among the poor in Addis Ababa, Ethiopia.

For the past 20 years Linda has led or participated on one-and-two-week mission trips, some construction, and some medical. It was not until a

medical trip to Ethiopia in 2005 that she felt God's call to longer-term service.

She will be working with the MTW HIV/AIDS Care and Treatment Program, which provides food, shelter, medical care, counseling, and orphan care to almost 500 families in some of the poorest neighborhoods in Addis Ababa. Ethiopia has one of the highest numbers of people infected with HIV/AIDS in sub-Saharan Africa and more than 1,000,000 children have been orphaned.

Please pray for Linda and the MTW team as they demonstrate Christ's love in word and deed to the "least of these" (Matthew 25). 6/08
