### Jonathan & Katherine Taylor #17457

Jonathan and Katherine were married in 1985 and have served in vocational ministry since 1988. From 1998-2004 Jonathan served as the missions and outreach pastor at Kirk of the Hills (PCA) in St. Louis and led numerous training and evangelism projects overseas. Katherine taught at Kirk Day School. In 2004 the Taylors joined MTW's church-planting team in Bulgaria. Their experience in missions and education has given the Taylors a passion to equip national leaders, to reach the emerging global generation, and to minister to missionary kids and their families.

Jonathan directs the mentored internship ministry of the Global Youth

and Family Institute. This includes recruiting, training, sending, and sustaining youth ministers around the world. The goal is to develop youth ministry movements by equipping missionaries and church-planting teams, national leaders, and indigenous churches to reach the next generation. The Taylors also invest in missionary families by providing resources, training, and care for Third Culture Kids (TCKs) and their parents. Their years of experience as missionaries and parents of TCKs have given the Taylors an understanding of the unique challenges these families face. Please pray for the Taylors and their vision of "Reaching the Nations and the Next Generation."
