CHRISTINA THOMAS #17456 EVANGELISM/DISCIPLESHIP

Christina became a Christian while in college at the age of eighteen. Two months after receiving Christ, she felt God calling her to the foreign mission field. At that point, she purposed her life in such a way as to follow the will of God. She became a registered nurse and spent six years working in a hospital in order to gain more medical expertise. She went on numerous short-term mission trips with MTW as she was discerning which country the Lord had called her to serve. After seven years of searching and praying, her heart was drawn to Southeast Asia and, specifically, Cambodia.

Christina worked in Cambodia as an intern from 2008-2010. During that time, she participated in medical outreaches in the villages and city, mentored young Khmer Christians, and worked as the short-term team director coordinating short-term missions trips to the region. She also helped provide medical care to children at an orphanage.

Christina has committed her life to the Khmer people so that they may come to know Jesus personally. She has a desire to continue the work that God has entrusted to her for as long as He has called her to Cambodia.
