ANDY AND BEV WARREN #18105

Andy and Bev Warren began their missionary service with Mission to the World in 1982 and have ministered in Kenya, Hungary, and Ethiopia. Since 1996, the Warrens have served in Ethiopia, where Andy is the team leader for an MTW church-planting team in the capital, Addis Ababa. The team's ministry to people affected by AIDS serves as their platform for reaching the city.

The Warrens minister in the Lideta, Bole, and Kolfe Keranjo areas of Addis Ababa, some of the poorest sections of one of the poorest cities in the world. By providing food, shelter, medical care, counseling, and orphan care, MTW has become an

important part of these communities.

There are few evangelical or Protestant churches in these areas, but through mercy ministry, the Warrens are sharing the gospel by demonstrating Christ's love and telling about God's grace.

The work has also grown to include AIDS treatment support, where patients are assisted through counseling and peer support in small groups. National staff members are an important part of the team, along with MTW career missionaries and interns.
