## GORDON AND MARILYN WOOLARD #18216 THEOLOGICAL EDUCATION

The Woolards have been involved in missions primarily with international students since they were in college at the University of Wisconsin-Madison and at Westminster Seminary. In the 80s Gordon, Marilyn, and their four children lived in Brussels, Belgium. They taught principles of cross-cultural evangelism to European students through the International Fellowship of Evangelical Students. In Brussels the Woolards came to love the French language. They made a commitment to return to a ministry in French if

God should open those doors. God did just that through an MTW partnership with Ministries in Action of Miami, Florida.

Since moving to Hollywood, Florida, Gordon has been receiving many invitations to teach preaching seminars in Africa. He has been making regular trips to Haiti and will soon start teaching pastoral leadership seminars in French Guiana. Marilyn has been working in an adoption agency which daily puts her in contact with a needy segment of society.
