PCA COMPASSION OFFERING 2022

On top of the human impact, the earthquake damaged or destroyed hundreds of thousands of homes, schools, hospitals, and churches.

All told, the disaster left around 650,000 Haitians in desperate need of food, clean water, shelter, and resources to rebuild their lives.

MTW missionaries put out a call for help. Thanks to your donations to the Compassion Fund, we were able to provide emergency food, water, and supplies for temporary shelter for the displaced population in southern Haiti and to help rebuild dozens of destroyed or damaged parsonages through the work of our missionaries and partner organizations.

Every year the Compassion Fund enables our missionaries and national partners to respond to urgent situations in their communities, meeting physical needs and sharing the love of Christ. We praise God that we were able to assist in 19 different emergency situations last year, many due to the ongoing pandemic.

This year, will you once again help us extend compassion to a world in need?

Donate online at mtw.org/compassion or mail check to: Mission to the World, P.O. Box 744165, Atlanta, GA 30374-4165. Please write "Compassion 40043" on the memo line.
